

# Membership Season 2009

Toddington Tennis Club

We are just about to launch into a fresh new season at TTC and it promises to be a very exciting year.

As you probably already know, the club has appointed Leon Leenders as our club coach and we are delighted with the enthusiasm and energy that he has already brought to the club.

With Leon's help, this year the club will be laying on a lot more activities, competitions and events. These will all be fully listed on our new look web-site launching in April.

This year there will be a lot more tennis at TTC. Already we have installed **token operators for the floodlights** so that anyone can play until 10pm all year round, whether or not the club house is open.

**Coaching** will be available all year round with sessions for Juniors in 4 different age groups, ladies mornings and senior training weekly.

**Club day** will remain on Sunday mornings, but will also run on Tuesday evenings. An internal **singles league** is starting on 26th April and we hope also to operate a doubles league shortly after.

There will be **Club Championships** and we are looking for members to join our teams for **inter-club competitions**.

Several **social events** are planned for the year, the first of which our **Open Day** this Sunday at the club from 10am to 1pm. Members and non-Members are very welcome.

This will be closely followed by a **quiz night** at Toddington Social and Services Club on Friday 3rd April. Please notify Margaret Hinton, Club Secretary, to enter a team (01525 211817). Everyone is welcome, members and non-members alike.

Great savings are available on both new and **renewed memberships** if you sign up by April 30. Simply complete the attached membership form and you are ready to go. See you on court!
